POLICY ANALYSIS AND RESEARCH

SUMMARY OF FALL 2002 ENROLLMENTS

INTRODUCTION

This report provides summary information regarding University enrollments. Attachment I presents total headcount enrollment for each University since 1970. All other tables and graphs show enrollments for the past 11 years, i.e., 1992-2002.

TABLE OF CONTENTS

	<u>PAGE</u>
Highlights	1-2
By FTE (Full-time Equivalent)	3-5
By Residence	6-7
By Sex	8-9
Full-Time/Part-Time	10-11
By Degree Level	12
By Degree Level by University	13
First-time First-year Students	14
By County of Residence	15-17
By State of Residence	18
By Country of Residence	19
ITV Supplemental Report	20-21
Attachment I (Historical Headcount)	

HIGHLIGHTS

- **University enrollment increased for the fifth consecutive year. From fall 1997 to fall 2002, headcount enrollment increased by a total of 4,071 students or 13.6%. Over the same five year period, the number of FTE students increased by a total of 3,358.9 or 16.8%.**
- **Compared to last fall, the number of full-time students is up by 750 and the number of part-time students is up by 384, a total increase in headcount enrollment of 1,134 students or 3.5%, resulting in 34,089 students at the University of Maine System. There are 977.8 more FTE students (4.4%) compared to last fall.**
- **Students who are Maine residents number 30,139 which is 88.4% of total enrollment. In-state enrollment increased by 1,033 students and out-of-state enrollment increased by 101 students. Foreign students (985) represent 3% of the student body.**
- **Of the 34,089 students, there are 21,366 women who make up 62.7% of the student body and 12,723 men, which account for the other 37.3%.**
- **Every county in Maine sends at least 408 students to the University. The largest numbers come from Cumberland (6,233), Penobscot (4,807), Kennebec (3,213), and York (2,976).**
- **Students come from every state in the country, plus the District of Columbia. 54.4% of out-of-state students (excluding foreign students) come from the other New England states. Massachusetts alone accounts for 22.7% of students coming from other states.**
- **The University of Maine System has students from 92 different countries enrolled. The largest delegation comes from Canada (559 or 56.8%).**

HIGHLIGHTS

- There were 3,221 students enrolled in ITV courses at receive sites across the State of Maine. About 68% of these students were enrolled in only ITV courses. Overall ITV enrollment has increased about .1% from Fall 2001. Effective with the fall 1995 semester, students enrolled in ITV Receive site courses are counted as part of the enrollment of the university that is broadcasting the course, regardless of where the Receive sites are located.
- A summary profile of ITV students is as follows:
 - 82% are part-time
 - 73% are associate or non-degree
 - 79% are women
 - 80% are 23 years of age or older (55% are 31 years of age or older)

SUPPLEMENTAL REPORT Distance Learning Receive Site Report

The following tables provide a summary profile of students taking a distance education course (*i.e.* through Interactive Television, the Internet or another delivery mode) that originates from a University other than the University at which the student is matriculated. Students taking an ITV course at the broadcast sites, *i.e.* the classroom at which the course originated, are excluded as the broadcast course represents a traditional university course that would have historically been offered whether or not ITV existed. Also, students taking distance courses offered by other modes of delivery (*e.g.* on the Internet) but originating from the students home campus are not included. Many of these are courses available on the home campus through a traditional mode of delivery.

Table 1 shows students taking at least one distance education course. Table 2 shows students taking **only** distance learning courses and **no other courses**.

There are a total of 3,221 students taking distance learning courses in Fall 2002, up from 3,215 in Fall 2001. Distance learning credits were 13,210.5 compared to 13,414 in Fall 2001.

The students shown in the following tables have already been counted in the enrollment figures in all other tables. These numbers should not be added to previously reported university enrollment figures.
